

# Professional Hearing Services

Dear patients and friends,

We continue to monitor the situation with the Coronavirus. Again, our highest priority is the safety of our patients and their families. We continue to take additional steps to mitigate risks associated with the virus so you can feel confident when visiting our office.

We will make sure that we are providing services in a timely manner and eliminate any wait in our waiting room. ***This means, we are spacing appointment visits so only one patient will be in the office at a time to practice social distancing.*** If you need any services, please call our office first so we can schedule a time for you to come in. We can be reached at (952) 658-8106. In addition, we have options to provide you with tele-health services. Call to learn more!

We have temporarily stopped making cookies and popcorn to avoid the potential of spreading germs.

If you are healthy and well, please know we are here to help you! Our office is still open, and we are taking measures to ensure the safety of our patients.

Stay healthy! Stay positive! Stay informed!

Jim Grant

Professional Hearing Services
